VOLUNTEERING AT RESTART AFRICA

WHAT IT COSTS, AND WHERE YOUR MONEY GOES...

Unlike many Gap year schemes and volunteering projects, Restart Africa is not a business but a charity. We keep our overheads as low as possible, so that after your living costs (rent, food, cleaning, laundry, all charged at cost price) are covered, whatever is left over from the fees for your stay goes directly to support the children. Our pricing is (we think uniquely) transparent – please ask if you would like more detail on the living costs.
